Meredith,

Got it. Seeing language from several resolutions together reminds me that we need to consider whether "seller", "generation" or something else should be used for this Finding. Please give this some thought prior to our call.

Thanks, Sean

Sean,

Attached is a list of the page references and the findings. I also included the page numbers for the language that requires PG&E to enforce contract such that all deliveries are eligible.

I will call you later this morning.

Thanks,  
Meredith
