QUESTION 10

Is the \$300,000 in expense in 2011 a one time expense?

ANSWER 10

Yes, the \$300,000 expense forecast in 2011 for the Business Continuity Management Program is a one-time expense. Nevertheless, the overall level of expense forecast for 2011 is representative of future years in this rate case period as other projects are implemented with similar one-time expenses.
