Carol-

We would be happy to meet with you on the Diablo applications. However, both Jennifer Post and Frances Yee are out this week. I spoke with Paul Phillips when I was over there on Friday and he wants to meet sometime next week. We could meet with you and Paul together or individually. Either way is fine for next week.

I am happy to stay on Daiblo - unless Karl wants to pick it up - sorry I missed the meeting last Friday - hard to get much done since all our support staff was off!

Karl,

No problem. Thanks for the email back.

Kevin is out this week however he is back in the office on Monday, April 5. How is your schedule on Monday afternoon? I realize it is a business meeting week but perhaps Monday afternoon might work.

Regarding a different subject, Diablo Canyon relicensing and the seismic application as well, I am meeting with Andy Campbell this Friday at 10:30. Nancy Ryan is the assigned Commissioner on the matter. In prior meetings on Diablo, I have met with Carol Brown from your office. However, I would be happy to meet with either or both of you on Friday (I am .cc'ing Carol on this note). We can meet at 11:00 or 11:30 if your schedules fit. We have one hour scheduled with Andy but I can't believe that it should last more than 30 minutes. I will be bringing Frances Yee, our case Project Manager, and possibly Jennifer Post, our attorney.

Please let me know if you are able to meet this Friday on Diablo and Monday the 5th on Cornerstone. I look forward to meeting you as well.

John,

Sorry for the delay. I am still catching up from 2 weeks off and getting up to speed in my new position.

I would be happy to sit down and talk with you and Kevin. I am pretty free this Friday morning if you would like to stop by. Just let me know what time would work for you.

I look forward to meeting you.

Karl

Karl

My name is John Hughes. I had a meeting with Carol Brown on Rate Design issues this morning and stopped by to introduce myself to you afterwards. However you were not in.

I am in the Regulatory Relations group at PG+E and work primarily on General Rate Case related cases including the Cornerstone reliability improvement program. Over the last several months I have briefed the Commissioner advisors, including Matt Deal, on these issues. Since you are new to President Peevey's office I would appreciate the pleasure of meeting and briefing you on Cornerstone hopefully early next week. I will be out of the office until next Monday.

I plan on bringing Kevin Dasso, a Senior Director at PG+E. with me when we meet. Kevin was the policy witness on Cornerstone and accordingly is very knowledgeable on the subject.

You can contact me via this email or call me at 415-973-3652 (office) or Redacted (cell) at you convenience. I look forward to meeting you. Thank you.
