Subject: RE: Non-DEER Review Group Meeting- Wednesday, April 14 -- let's cancel today

Dear All,
I hoped we would be ready to discuss ED's edits to the joint document at today's meeting this afternoon as the main agenda item. Although the draft doc is almost ready, I'd like to have a bit more time before we send it out to all of you.

My apologies for the late notice, but I was hoping we might be able to postpone today's meeting to Friday. This would let us get our draft back to you in advance of the meeting so that we could have a more meaningful discussion. Would it be possible to reschedule to Friday? I can rearrange my schedule on Friday to be available anytime Friday afternoon, if that would work for everyone else.

I really appreciate everyone's patience in working through this. Its a big time commitment given everthing else we have going, but we are getting very close to seeing a light at the end of the tunnel.

Natalie

Hi All,

We will not be discussing that document today. I intended to give everyone an update that I'm still working on the document based on the meeting from last Friday. So, now I have one item on the agenda for today.
