Scarlett  
Good to hear from you. Next Friday is fine. Just let us know the time.  
If you can share anything ahead of time that would be good. Also, if you'd like, I can help put together an agenda with you.  
thanks,

Hi Ken,

It looks like next week would be a good time to meet with IOUs individually (and May for joint IOU meetings) on the DR guidelines. Would your folk have time next Friday? If not, next Wednesday is a possibility. SDG&E expressed an interest in meeting individually but liked the idea of a joint meeting after that. Please let me know. Thanks.

Scarlett

Scarlett,

Thanks for getting back to us. It would be useful to see the list before the meeting. Then we can provide better feedback at the meeting.

Look forward to hearing from you.

Hello Ken,

Thank you for your feedback. I am out of office today. I will get in touch setting up a time to meet with PG&E sometime this month on the guidance. Would it be helpful that I share the list of issues prior to the meeting so you can compare notes? I can do that after Bruce has a chance to review my draft. Feel free to call if you have any questions.

Scarlett

Scarlett,

It was great being on the panel with you today and you gave a very informative talk. It is also good to hear that you are working on the guidance for the 2012-2014 DR Application that the IOUs will file in January 2011. We are just about to get started on that effort, so having guidance in May 2010 will make the process much more efficient for everyone.

As Mikie, Susan and I discussed, we would very much like to meet with the CPUC before the guidance is issued to provide input into that guidance.

Please let me know how we can best help you in the process. I look forward to hearing from you.
