I am going to be sending the presentations, handouts, letters etc. in two separate e-mails. These are very large files (one is 5 MG and one is 6 MG) so I will send it only to Sommer so that I don't overextend everyone's inbox.

thanks

CPUC Team,

Below is the link to the recorded webinar, per our discussion on Monday.

We'll be sending you very shortly the more generic pieces (i.e., presentations, handouts, etc.). We have gathered several of our communication pieces and are in the process of reviewing them for confidential customer information. Our goal is to have these to you by later this afternoon.

Respectfully,
