Theresa, I suspect you have already heard back from Megan or John Hughes today but if not, rest assured we will take care of the 3 day notice.  
I hope you enjoy the tour, and we're glad the Commissioner can go too!

Trina,

Commissioner Grueneich decided to participate in the tour of Diablo Canyon, which is scheduled for next Monday, April 26. I wanted to touch base with you on the ex parte notice issue (see below). We need to have a copy of the filed ex parte notice in hand before the Commissioner heads down to SLO on Sunday afternoon and I would really appreciate it if you could get back to me as soon as possible so that we can firm up the Commissioner's schedule.

Thanks,

Theresa

I forgot one issue. In my previous email to Daren, I stated that I thought PG&E is required to file a three-day advance notice of an ex parte meeting because Commissioner Grueneich will be present and PG&E has two open proceedings on Diablo Canyon.

Can you let me confirm that PG&E is handling the ex parte issues and also provide me with a copy of that notice.

Thanks again,

Theresa

Theresa,

I'm helping out Daren Chan who is on vacation.

You and your group is confirmed for the April 26 Diablo Canyon tour. In advance of your visit, you'll need to provide the SSN and current address for each attendee no later than next Tuesday. You can either send it back to me, or send it directly to Redacted who is organizing the tour. I've also attached a visitor information sheet with rules regarding dress code. Please let me know if you have any questions. I was on a tour of the plant last month and it was amazing.

Also, are you OK with lodging? I'd recommend staying in Avila Beach since it's close to the plant.

Megan
