My apology, Trina, I do have the LTRFO testimony on CD. There's no need to send another one.
Thank you.

Steve,

Attached are the RCEC documents you've requested, in this order: 1. First Amendment to the Second Amended and Restated PPA, 2. Signature pages to the same, 3. Second Amended and Restated PPA, and 4. its signature pages. As you know, these documents are highly commercially sensitive and confidential, provided under P.U. Code Section 583.

Note that document #1 is quite short -- this is the document that was negotiated with Calpine in March of 2010. That is the changes to the Second Amended PPA, which the CPUC approved last year and is document #3. That document (#3) is much longer.

In terms of PG&E's LTRFO testimony, I believe we sent you a CD with that a couple of months ago. We'll be sending over another CD with the testimony this afternoon. If that is not what you need, let me know.

Trina
