Subject: Energy Division data request attached

Hi Trina and Redacted

I've attached a data request seeking details around a recent discussion of PG&E's past and future generation rates before the Sausalito City Council. Ontario was able to get us some info informally, but I think we need to go formal since this topic keeps coming up in various cities in Marin.

Since the material we are requesting seems to already exist, we are seeking a response in one week, by May 5.

Thank you,

Steve Roscow
