Steve:

I am out of the office for a couple of days unexpectedly and have limited internet connectivity. I have asked that a couple of my colleagues Redacted and Trina Horner respond to your request.

Let me know if they don't timely respond.

Thanks.

Bill,

Julie is out of office the next few days, so Gurbux and I are coordinating Energy Division's review. We'll send our response later today, but we have one request in the meantime: since this letter is worded for MEA, could you send over the draft you propose to send to customers in other communities who have opted out?

Thanks,

Steve Roscow

Julie, Steve and Carlos:

As I mentioned in my voicemails to each of you, attached is a proposed letter to the non-Phase 1 MEA customers who have opted out of MEA's CCA program, in compliance with Ordering Paragraph 2.D of Resolution E-4250. Please review and approve the letter, preferably by no later than COB Tuesday, April 13. Please call me on my cell phone at Redacted if you want to discuss the letter or schedule.

Thanks for your help on this.
