Sorry for the delay. I have been out of the office unexpectedly. I left you a voice mail with some details that may answer your question and it provides you with some contact info in my absence.

Thanks.

Bill

Subject: PG&E's Draft CCA notification letter

Julie, Steve and Carlos:

As I mentioned in my voicemails to each of you, attached is a proposed letter to the non-Phase 1 MEA customers who have opted out of MEA's CCA program, in compliance with Ordering Paragraph 2.D of Resolution E-4250. Please forward the letter to the Energy Division for review and approval, preferably by no later than COB Tuesday, April 13. Please call me on my cell phone at [Redacted] if you want to discuss the letter or schedule.

Thanks for your help on this.
