Jennifer

I apologize for the late notice but are you available tomorrow at 1:00 to have a conference call on the various report formats? If not, can you give us some times you are available this week?

thanks

Jennifer,

I'm wondering if it might make sense for us to first meet on Friday to review the 60 day/120 day plan expectations as well as implementation/outreach efforts and then schedule the meeting on reporting expenditures (which will be directly linked to supporting the plans)? Just a thought. If that works for you, I'll check when folks at PG&E are free next week.

Best,

Hi,

I hope everyone enjoyed their weekend. I realized we should also set up an additional meeting as soon as possible to determine which details to include in the monthly reports on expenditures. I don't know if all three of you need to be there for that or if it is a discussion for Erin and I. I am available this Thursday before 1 or after 2:30, or anytime next week except for Thursday afternoon. Hopefully an hour will be plenty of time for us to figure it out.

Thanks,

Jennifer
