Subject: RE: Invitation to Speak in CPUC Thought Leaders Series

Hi Shawn:

Here are a few open dates...if more than one is possible for you, then we'd choose in the following order of preference

- 1) 1st preference
- 2) 2nd preference
- 3) 3rd preference

- 1) July 29; August 12 (these are Commission public meeting days--10 AM to about noon)
- 2) July 13, 14, 15
- 3) July 20, 21, 22, 27

The time we normally have the Thought Leaders events is from 1:30 to 3 PM, but let me know if you have an alternative preferred time slot.

Thanks,

Ted

Ted:

Can we look at dates in July? The next two months are fully stacked for Peter.

In May we have our earnings call with investors, our annual shareholders meeting,

Peter is hosting the national Nuclear Energy Institute (NEI) Conference in San Francisco and he host the company's bi-annual officer and directors meeting.

June is not much better, first week he will be in New York and DC on business, and then to Norway the second week where Peter is the United States Co-Chairman of the Global Leadership Technology Exchange Conference, and then board meetings the third week, followed by Peter attending the quarterly Alliance to Save Energy (ASE) board meeting in Washington DC where he serves as the ASE Chairman of the Board for 2010 and 2011.

Let me know if July works for you.

Sincerely,

Shawn

Subject: Re: Invitation to Speak in CPUC Thought Leaders Series

Hi Shawn:

We're delighted to have Mr. Darbee speak in our Thought Leaders series. Here's some possible dates:

First Preference

May 20

June 1,2,3

Second Preference

May 6, 11,12,13,18,19,20,25,26,27

We'd prefer a starting time around 1:30 or 2:00, but are open to other times as well. We'd reserve 90 minutes for the speech and Q&A.

If you could indicate a few preferred dates, I can then check on availability of the CPUC

auditorium.

Best regards,

Ted

Ted:

Sorry for the delay in responding to your request. The e-mail address you used for Peter Darbee is an inactive account. It's one we only use when Peter submits an article or Op-ed to a publication.

I did have a chance to discuss with Peter your proposal and he would be happy to accept your invitation to participate in your *Thought Leaders* series.

I am on vacation next week and will give you a call on Monday, April 19 to discuss the series and Peter's participation.

In the mean time, would you like to provide us with several dates over the next couple of months and we can see where there is a fit.

Respectfully,

Shawn

Subject: Invitation to Speak in CPUC Thought Leaders Series

Dear Mr. Darbee:

The CPUC would be pleased if you could accept the enclosed invitation from our Executive Director, Paul Clanon, to be our special guest as a Speaker in our Thought Leaders series. We invite visionary leaders to share their insights and ideas in areas of critical importance to the energy industry (among other areas of vital importance to the economy). Your recent White Paper with the Carnegie Institute of Science, "Climate Change for Policymakers and Business Leaders", explored many fascinating ideas which are of great interest. Also very interesting would be your ideas on how an electric utility can achieve success in the dynamic energy markets.

The audience includes about 125-150 executives and other policy makers from both the private and public sectors, as well as being webcast. The event is approximately 90 minutes, including about 20-30 minutes of interactive questions and answers with the audience. Previous speakers have included Mary Nichols, FERC Commissioner Philip Moeller, and Vice-Chairman of the Green Party and Member of the European Parliament, Claude Turmes.

Please have your staff contact me regarding possible dates for your Thought Leaders Speech.

Best Regards,

Ted Howard
