SUBJECT: DIVERSITY TRAINING

QUESTION 2

With respect to facility cost in the historical period 2004 – 2009, please specify each training or workshop by the dates the training or workshop took place, the name of the facility where it took place, its location, its seating capacity, its cost per day, how many PG&E employees attended to be trained, how many PG&E employees attended as trainers, how many non PG&E employees attended as trainers, whether it was PG&E property, whether it was being rented by PG&E on an ongoing basis and being used on an ongoing basis for other purposes than for diversity, or whether it was rented specifically for diversity training on a short term basis for the dates previously specified.

ANSWER 2

PG&E objects to this question on the grounds that portions of the question ask for actual 2009 data, which is not the basis of PG&E's 2011 GRC request. Notwithstanding the foregoing, and without waiving PG&E's right to object to the admissibility of the requested information into evidence, PG&E responds as follows.
