Sean,

Please find attached the updated PG&E RPS workplan. Per your request, we focused the updates on those projects that are pending CPUC approval.

Thanks,
-Maggie

Maggie,

Can you please update this to reflect PG&E's requested dates and the CPUC approval condition precedent date for each contract pending approval. I am only concerned about next few months. Don't worry about updating for recent filings that don't require approval before August.

Regards,
Sean
