Subject: Re: Today's non-DEER review meeting moved to Friday

Peter,

As a follow-up from Monday's meeting,
we have made the following types of changes to the document:

1. Clarified
what is the utilities point of view in various places ("Utility's
Opinion")
2. Clarified
the agreement from the April 9th meeting by adding on sentence of clarification
and dropping the two sections that were problematic.

3. Added
a reference to the analysis for the likely DOE2 impacts (SCE values) and
an appendix with that explanation.

4. Provided
some minor edits to the custom document and other items throughout.

All the changes were highlighted in
yellow so they can be reviewed quickly.

We'd like to discuss in the meeting
today.

Hi All,
Just a reminder that today's meeting is
moved to Friday at 2 PM. I will send a separate email with a call-in
number for that meeting.

Thanks,
Peter
