Susannah:

Attached is PG&E's response. Please note that I am double-checking on whether any projects don't fall under the 12/31/2010 ARRA deadline bucket. If so, I will update this document on Monday. I committed to getting you something by COB today, so I want to honor that deadline.

Thanks,

Good morning Meredith and David,  
Attached is a recurring data request that will help Energy Division keep current on the contracting and transmission status of RPS projects requesting ARRA funding; I request a first response by Tues April 27. Please forward to others as appropriate.

Thanks,  
Susannah
