Subject: IE review materials

Hello
Trina,

I'm just following up with a gentle nudge that we're hoping to get permission to release PG&E's IE review/renewal material to the other IOUs as an example of how they should do it. I know Steve Haine has reached out to someone at PG&E, but there's been no movement. Since he's not the best at conveying urgency, I'm giving this a friendly push - the other IOUs are getting ancy to move and we'd rather have a unified strategy than a piecemeal one.

Any internal nudge you can give would be appreciated - I don't know if he went through Sharon or someone else, but she's probably the point person since it's PRG related...
