Yeah, saw that and just had to laugh. Staff here finally realized, but as you say – no fix.

Let's keep the destination on lunch up in the air – there are a couple spots in South Beach that just opened up so maybe I'll swing by Beale Street and then we can head over there.

See ya next week, have a fun long wknd.

I am doing as well as you might expect given this draft.

The stuff on p 17 is VERY confidential. VERY not ok. Irreparable.

Lunch June 2 works fine. Your 'hood I assume?

So, I was doing some light reading last night/this morning and I have a random question for ya...

How much confidential bid evaluation information did ALJ Farrar release in his PD?

Hope your doing well, any chance you're free for lunch on Wednesday June 2?
