Subject: parking

Matthew, give me a call please about parking. Given the gift rules, I am guessing it is probably simpler for the Commissioner to park at one of the commercial parking lots downtown and pay/expense the parking rather than reimburse PG&E or report the gift. Of course, if that is what she would prefer that is fine and we will find a spot for her in the 50 Main garage. I am surprised whomever she is meeting with didn't work out these issues with you all earlier, and offer my apologies for that.

Give me a call on my mobile -- Redacted I tried your office line and for some stupid reason don't have your mobile in my contacts.
