Subject: Retroactive Mass Enrollment - Phase I

Dawn, Pol, John, and Kirby:

As we discussed at our meeting this morning, attached is a list of all the customer accounts that we plan to mass enrolled retroactively. The attachment consists of 4 tabs -

- A Total (803) list with all of the pertinent customer data for you to setup in your systems and estimate load volumes (the meter ready cycle code is in column V)
- A SA_ID listing (577) of the new customer accounts from previously closed accounts
- A SA_ID listing (221) of the customer accounts whose opt out request has been rescinded

- A SA_ID listing (5) of the customer accounts whose MEA territory status will be restored (your correction list consisted of 7 accounts but 2 of these accounts - 1939277065 & 1939277070 are captured in the group of 221 opt out rescissions)

We plan to mass enrolled these 803 SA_IDs into our system in the next day or two, and you should expect to see "acknowledgement CASRs" by the end of the week.

If you have any questions regarding this data, please let me know.

Thanks,
