Subject: RE: CPUC logo for letter

Thanks very much, Daniel.

Terrie and Steve, will MEA be providing their logo and signature block directly to PG&E or will we receive it from you? Also, should we be expecting that today?

Also, Steve, has there been anymore discussion around whether we need to include MEA's logo on the envelope or instead Trina's other suggestion to place this language on the envelope, "Inside: A message from PG&E, Marin Energy Authority and the California Public Utilities Commission". As mentioned by Trina, placing the MEA logo on the envelope will take 5-7 days, whereas the other option will allow us to send the letter within 2-3 days.

Thanks,

Hi [Redacted]

Paul Clanon asked me to get you the CPUC's logo for the PG&E/MEA/CPUC letter. By way of this email I'm asking our graphic designer, Dan Hartmann to send you our high resolution logo in either Adobe Illustrator or .eps file.

We're working on getting MEA's and either I or Steve Roscow will send it to you, along with their signature block.

For our signature block, it's:
Paul Clanon
Executive Director
California Public Utilities Commission

Thanks!

Terrie
