Thanks, Trina!

I opted not to go to Ojai but am regretting it a bit because some of the panels look interesting and, more importantly, I've heard these WCPSC events are fun. Plus it would have been nice to see all the collateral material I'm working on being handed out and admired. ;) Are you going?

Hi  
Trina,

I hope you are doing well.  
And with all the CCA, Prop 16, and Smart Meter stuff, how could you be anything but! :) We should lunch again soon! But in the meantime, I have a quick question for you. Does Redacted still work at PG&E? I think he was writing customer info last I heard... If so, could you shoot me his email address? I want to ask if he's interested in participating as a panelist at the Western Conference of Public Service Commissioners, which Commissioner Bohn is chairing.

Thanks!

Terrie
