Frank and Julie, the QF Summit parties would like another opportunity to meet with you to finalize a common understanding of what an arbitration process and schedule would look like. There is an entire proposed schedule of milestones in June/July that has been put together, and folks are trying to assess whether it is realistic and something we can each live with, and the arbitration process and schedule is a big part of that. Are you available Monday or Tuesday of next week to meet with us? Same situation as last time -- everyone included, some on the phone and those who can be here live, in person. Let me know your willingness/availability for such a meeting. Thanks much,

Trina
