Sandy and Randy,

I hate to be a pest, but that seems to be a role I have to play with this Agreement. We still have not heard whether PG&E will approve the changes we negotiated on Tuesday morning. Please let us know as soon as possible.

Randy-

Attached, for your review, is a final form for the agreement. The marked changes reflect our edits from yesterday and a couple of typos I found. Please make sure I have gotten the PG&E contact information correct in Section 13.1 and Appendix A. Thanks.

Tom: Tomorrow morning, I hope.

We should put together the final form of the Agreement. Should I do that, or have you gotten that done already?

Thanks. Randy

Thanks, Randy. Do you have an estimate of when we can expect final word from PG&E?
