Subject: PG&E continuing to drop MEA customers after May 4th letter and CPUC directive

Calvin,

I am not clear on what further guidance could be needed from the CPUC. The guidance is clearly stated in the attached May 12<sup>th</sup> letter provided by CPUC Director Clanon as follows:

*"You must act immediately to (1) render ineffective every opt-out received since May 3, 2010, subject to later disposition by the Commission."*

The response from Mr. Cherry at PG&E was also quite clear in the May 13<sup>th</sup> letter (also attached) as follows:

*"PG&E agrees to voluntarily follow the actions you identified"*

Currently, PG&E is not complying with this CPUC directive. Once again, we request that you stop processing drops for any MEA customers.

Please verify that you will be able to stop processing these drops immediately so that we can avoid any further action on this issue.

Thanks very much,

Dawn

Hi Dawn,

Regarding the process for addressing any opt-out requests received by PG&E since May 4th, we are currently awaiting further guidance from the CPUC for implementing the actions indicated in the letter. Once this has been finalized, PG&E will take care of any necessary enrollment transactions. We will finalize the list of affected accounts and share that with you in the near future. Let me know if you have any specific questions in the meantime.

Thanks,

Hi Redacted

We just had a check-in call with our Data Manager (SES) and we were told that there are still many drops occurring from the MEA enrolled customer list. So far there have been 355 drops since May 4<sup>th</sup>. As per the letter that went out from Director Clanon on 5/12 and the response from Mr. Cherry on 5/13 these drops should not be occurring.

Can you verify that you will be able to stop processing drops?

Thank you,

Dawn
