Subject: RE: PG&E and MEA call to check-in and tie up loose ends?

Hi Steve and all,

Thanks for keeping these key tasks in focus for all of us. Here are a few times that would work for me to have the call:

- [Redacted] Wednesday 12:30
- [Redacted] Thursday 9am or 10:30- 2pm

To make the best of our time:

- [Redacted] Steve - On item #1 could you recirculate the most current version of the letter?
- [Redacted] Calvin - On item #3, since we have provided the sample database with fields that are needed it would be helpful to get this database from you before the call so that we can discuss. When we discussed this in our last meeting all together (on May 11th) the direction seemed pretty clear.

Thanks,

Dawn

Subject: PG&E and MEA call to check-in and tie up loose ends?

Hi all,

With all the activity these last few weeks, I realize some things are slipping on our mutual "to do" list, so I'm sending this note to see if you all are interested in doing a "check-in" call?

Several possible topics:

- 1 finalization of letter to customers who were opted out via non-tariffed methods
- 2 update of IVR script and material on PG&E website so it fits MEA's actual operations
- 3 customer lists and shared database

Let us know if a call would be useful, and if so, go ahead and propose some days/times that would work.

Thanks,

Steve Roscow
