Subject: PG&E Employee Code of Conduct

Richard,

When we met last month to share with you the various programs PG&E has in place to encourage its employees to raise concerns they may have, we let you know that the Employee Code of Conduct was being updated and would soon be rolled out to the workforce. The new code is now available for employees and can be accessed through our website at [http://www.pgecorp.com/aboutus/corp\\_gov/coce.shtml](http://www.pgecorp.com/aboutus/corp_gov/coce.shtml).

Regards,

Bob
