Meredith:

Thought I would throw out a few dates that work for folks on my end.

May 18 afternoon

May 19 anytime

May 20 anytime

May 21 afternoon

May 26 anytime

Subject: Let's talk about storage

Any chance you can assemble your troops for a discussion on energy storage the week of May 3? If not then, maybe the following week? Let's work out a date and then a rough agenda.

I am thinking an hour to 90 minutes. The usual questions: What are we currently doing (demo projects), what do we think we need, how do we determine what we really need, how do we get what we think we need...
