Hope you had a great vacation. I appreciate your returned call during your vacation.

I am very interested in picking up our discussion again. It's my understanding the Powerex transaction was on schedule for approval on June 3 (not possible anymore) and the Shell transactions are on schedule for approval for June 20. I want to reiterate my desire to have these transactions approved without undue delay as they are economic and in the best interest of the customers.

Please call me on cell on Redacted or you can always have a phone call arranged via Redact.

Thanks again!

Fong
