Brian, This was my call from NY. Chris was on vacation. I think this panel would be a geeat platform for Chris and NARUC. I am going to respond that Chris is on vacation. Can you give me an update?

Hello!

Hope you and your wife enjoyed your time in the Big Apple (and spent lots of money here!).
Have you heard back from Chris Johns' office on the Sacramento Smart Grid General Session panel? If Mr. Johns is unable, David Owens from EEI is eager to fill his spot.
Any help would be greatly appreciated. Thanks again.
Maureen

Commissioner Harris,

I called the office of Chris Johns, President PG&E. He is on vacation. I asked his office to pencil the date.

I have copied Brian Cherry, VP Regulatory Affairs, PG&E. In an effort to secure a commitment for Mr. Johns participation. Please do not hesitate to call on me to support your panel's efforts.

Regards,
