Hi [Redacted]

Thanks for checking in on this. I'm going to run it by the Commissioner when he gets in shortly (we're both in the office today). I presume it will be fine, but will keep you posted.

I'll also ask him whether he has any planned agenda for the call. In general, I think he wants a better understanding of Mr. Downing's background and qualifications, how the committee has operated over the past few years, how the funds have performed under his tenure on the committee, etc. I will confirm with him this morning and try to get back to you by the early afternoon.

Paul

Hi Paul,

You and Commissioner Simon might be in Sacramento today for the Fire Safety Workshop so I'm going to propose the following: Peter Corippo, our Benefits Director, will be on the call with Mr. Downing. Please call or email ASAP if this is not OK with Commissioner Simon. If I don't hear from you, I'm assuming it's fine. Also, any insight as to what the Commissioner would like to discuss would be helpful. Let me know if there's anything else I'm forgetting. I'll send a conference call number to Juliane.

Thanks.
