Hello, Glenn. Please have standing invitees from CPUC be myself and Simon Baker (both representing EE Planning) and ~~Redacted~~ and Zenaida

Tapawan-Conway (both representing EE EM+V).
Have copied all here so you have e-mail addresses.
We may excuse folks if agenda for any given call dictates.
I offered to be point person on agenda for CPUC, and expect utilities will name a point person as well.

At moment I expect at least two agenda items are --
- SCE AL /now suggested PTM for clarifications on 9/09 decision
- Priority for launch schedule on Prescriptive Whole House Retrofit + coordination w/ ARRA-funded projects.
There could be more items to come for this coming Tuesday's call.
Jeanne
