

## **Draft AGENDA for Wed May 26<sup>th</sup> Whole House Retrofit Call**

### ED Updates:

- workpaper review (measure and savings finalization)
- collaboration with CEC on evaluation issues
- program name
- establishing branding/marketing steering committee and advisory committee with CEC, IOUs, CPUC, SEP recipients
- June 10th Housing Forum (tentative date with CDLAC cmmt).
- Report back on questions regarding PIP modification

### - IOU reports on:

- RFP release
- marketing survey results and impact on program design
- local government engagement work- how are IOUs communicating with LG's currently & who are IOU leads on this?
- update on moderate income/MIDI "pilots" (Sempra, SCE)
- update on tailoring of package to MF units (based on market survey; if info available yet)
- utilization of CA HERC recommendations - IT; MF; measures/incentive levels; contractor requirements/tech specs
- Homestar – IOU plans to be aggregators
- Date for next public workshop (1<sup>st</sup> for 2010)
- any additional areas as suggested by IOUs

### - More in-depth discussion on any items as needed

- Homestar – impacts/changes needed to Whole House program while Homestar is operating?
- Is a phase out date for contractors using prescriptive package needed?

### - Next Steps, including next call
