Subject: Discussion topics for the 12:30 call

Thank you for preparing and sending the Protest Response Table - this was really helpful. The responses you've provided so far are consistent with what we're thinking, with a few exceptions. These exceptions are:

- 1)
credit criteria

- 2)
PIP milestones

- 3)
NEB billing sync
time.

For our call today at 12:30 let's plan to discuss these items.
