Thank you. As [Redacted] and I discussed indirectly today, I imagine we will need to get on top of this more directly once PG&E has responded to the Paul Clanon letter. I gather that will happen no later than tomorrow?

Just ballpark, could you tell me what the total number of "opt-outs" actually was?

Steve

Steve,

Per my voicemail yesterday, please find attached PG&E's partial data response to your data request. We are continuing to populate the data for the missing fields per your request and hope to have a final response to you by Friday.

Let me know if you have any questions or concerns.

Subject: Marin CCA, New Energy Division Data Request

Hi Trina and Redac,

Here is a new data request. Given the urgency, and since I know that PG&E has this data readily available, I'd like a response by COB Monday May 3rd.

Let me know the tracking number that you assign to this request.

REQUEST:

Data request re CCA opt-outs in Marin County.

Please provide weekly summaries of "opt-out" data by populating the attached Excel spreadsheet with values, in the categories indicated in the spreadsheet.

END OF REQUEST

Thank you,

Steve Roscow
