Steve,

As promised, attached is the complete table with PG&E's CCA-Marine opt outs. We are continuing to check and double-check the numbers for accuracy in preparation for Tuesday's meeting, but I wanted to get these numbers to you as well. As you already know, this table should not be shared in any way with

MEA. We plan to provide a similar, but separate table at Tuesday's meeting that will be used for our discussion.

Let me know if you have any questions, although I'm guessing any questions you have will come up again at Tuesday's meeting.

Steve,

Per my voicemail yesterday, please find attached PG&E's partial data response to your data request. We are continuing to populate the data for the missing fields per your request and hope to have a final response to you by Friday.

Let me know if you have any questions or concerns.

Hi Trina and [Redacted]

Here is a new data request. Given the urgency, and since I know that PG&E has this data readily available, I'd like a response by COB Monday May 3rd.

Let me know the tracking number that you assign to this request.

REQUEST:

Data request re CCA opt-outs in Marin County.

Please provide weekly summaries of "opt-out" data by populating the attached Excel spreadsheet with values, in the categories indicated in the spreadsheet.

END OF REQUEST

Thank you,

Steve Roscow
