Subject: meeting with MEA tomorrow

PG&E folks—

For the meeting tomorrow, I've scheduled a room beginning at 9:30. I'd like to try to finish in 2 hours, but we can go longer if needed.

My expectation is that PG&E will bring a customer-specific list of all the opt-outs, by category, so we can all see the size of the groups that will need to be informed of an invalid opt-out. If you won't be bringing such a list, and sharing it with Marin, I don't see how we could have a productive meeting, so let me know, and I'll cancel the meeting and kick this back up to Clanon.

Thanks,

Steve
