**Subject:** Arbitration discussion with Julie/Frank

All,

Following up on your joint scheduling efforts, I've reserved Tuesday next week, June 1st from 10-11 am to discuss the arbitration process and schedule with Julie and Frank. Logistically, we have in mind for this meeting something very similar to the first such discussion with them - those who can will participate in person and others will be connected by phone.

I need to confirm this date and time with Frank and Julie -- their schedules are very packed -- so please

let me know asap if this absolutely will NOT work for your organization. I will assume if I don't hear from you by Noon on Wednesday that it does work. Keep in mind Monday is a holiday and it is probably better to meet with them sooner rather than later to finalize the arbitration process, given the early June milestones you all have identified.

I believe I have included at least one person from each Summit organization on this email. Please forward to anyone I've missed and shouldn't have.

Thanks,

Trina
