This is consistent with my understanding of the confidentiality agreement too.

Subject: A.09-08-020 Mediation Process

The SCE project team intends to meet with senior executives of Edison International (the parent company of SCE) to discuss the status of the mediation process. SCE does not construe the confidentiality agreement as prohibiting such discussions, so long as those present at the meeting are made aware of, and agree to adhere to, the requirements of the confidentiality agreement. If you have a contrary view, please let me know.
