Can I get a head count on how many people from each utility will be attending tomorrow. I'm assuming that the intervenors will have 5 in person and two on the phone. If possible it would be good to keep it to a minimum. I booked a smaller room than usual. If there's a need I can try and find a bigger room.

It appears that next Thursday, May 13, is a good day to hold the next A.09-08-020 meet and confer session. Does 10 AM to noon work for everyone that will be attending? We will provide a call in number for those that cannot attend in person. Janet Econome is available at this time and can serve as mediator.
