Subject: A.09-08-020: List of Outstanding Issues Identified at the May 13 Meet and Confer meeting

CONFIDENTIAL PER MEDIATION CONFIDENTIALITY AGREEMENT

All,

Henry had offered to send out a list of the issues that were identified at our last Meet and Confer meeting on May 13. Given his heavy travel schedule, he asked me to get this out in his stead, which I'm happy to do. Here is the list of issues as we heard them in the meeting. Please let us know if we've missed any issue from our discussions last week.

Tier 1 "Access Fee" - how is it structured? What is the trigger for the fee?
Shareholder Contribution Cap
3rd Party Recoveries incentive
Timing of CPUC determinations when IOUs request recoveries from WEBA
Shareholder Incentive Payments
Spending Metrics that apply to Category C
Potential Annual Report on fire mitigation program, as well as Special Reports that would be unscheduled in which the utility could present information on new decisions that may arise

Cost recovery if CPUC orders IOUs to spend more for fire mitigation
Future reevaluation of WEBA structure

Thanks,
