I checked the electronic calendars of the six DRA folks attending, and we could all postpone this meeting to 2:30 or 3:00. But please let us know ASAP if we're going to make this change before somebody books something on the open 3:00 - 4:00 time slot.

I'd have to see if five DRA folks who also want to attend (in addition to me) can move the meeting to a later time.

Bill:

Would it be possible to start this meeting at 3pm (or, even 2:30)?
