Thanks Alope. We're happy with keeping it at the original 2 pm starting time.

Sorry, I meant that we can stick with the original time, if the remaining group still wants to do that. I am fine with any time in the afternoon at this point.

Hello:

I don't have an issue with 3pm time anymore. Please disregard the last note. Thanks.

Bill:

Would it be possible to start this meeting at 3pm (or, even 2:30)?

Aloke
