Brian,

Regarding my earlier response. [Redacted] just filed a report with us, required by Decision 10-04-029, that details the IOUs EM&V expenditures through September 2009. When I have the Commission expenditures, I'll forward both documents to you.

Peter

Subject: RE: RFP for Energy Efficiency EM&V Consultants

Tim - where would I find out how much the Commission and utilities have spent, in total, on EM&V over the 2006-2008 time period ? I know the budget was \$120 million, but I don't know the total spend.
