Hi Brian,

Could you tell me whether this letter was prepared using shareholder funds, or ratepayer funds? If ratepayer-funded, could you explain why? If shareholder-funded, could you provide a list of the individuals who worked on the analysis provided in the letter, and the time they spent, and documentation of who directed that this work be done, and how the staff time was reimbursed by shareholders?

Thanks, as always—

Steve

Greg,

Attached is a letter following up on our emails last week and earlier this week regarding inaccurate statements on MEA's website, its mailers and its customer notices. I am also attaching a pdf of one of MEA's mailers claiming "lower rates".
