I think the one-pagers are a better way to go.  PowerPoint's just burn time.

There will be a focus on discussion/dialogue but if you're folks need PowerPoints as a jumping off point then by all means.  Or, if your folks want to put together a package of one-pagers for a leave behind that would work as well.

Matt - I'm assuming you want us prepared to dialogue and not bring PowerPoint presentations ?

Brian,

Agenda for the Summit attached.  There is room to move a bit on the agenda if folks on your

side want to include other items, etc.  Since the Summit is a log way off we have some time to work.  Let me know.
