Steve: As you know I was out of the office on Friday when you sent the attached letter and did not return to the office until today. Your letter goes beyond the issues we discussed by telephone during the past week. I disagree with your statement that our Website and customer communications contain false or misleading statements. At the same time, we want to make sure that the descriptions of our programs are reasonably clear and understandable. I am completing my review of your letter today and will be reviewing the concerns you raise with MEA staff tomorrow. I will give you a call tomorrow afternoon.

Greg

Greg,

Attached is a letter following up on our emails last week and earlier this week regarding inaccurate statements on MEA's website, its mailers and its customer notices. I am also attaching a pdf of one of MEA's mailers claiming "lower rates".
