There will be a focus on discussion/dialogue but if you're folks need PowerPoints as a jumping off point then by all means. Or, if your folks want to put together a package of one-pagers for a leave behind that would work as well.

Brian,

Agenda for the Summit attached. There is room to move a bit on the agenda if folks on your

side want to include other items, etc. Since the Summit is a log way off we have some time to work. Let me know.
