BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of Pacific Gas and Electric Company to Recover the Costs Associated with Renewal of the Diablo Canyon Power Plant Operating Licenses. (U39E).

Application 10-01-022 (Filed January 29, 2010)

NOTICE OF EXPARTE COMMUNICATION

Pursuant to Rule 8.3(a) of the Commission's Rules of Practice and Procedure,

Pacific Gas and Electric Company (PG&E) hereby gives notice of the following *ex parte*communication. The joint communication occurred on Wednesday, June 9, 2010, at

approximately 3:30 p.m. at the offices of the California Public Utilities Commission in San

Francisco. The communication was oral and included handout, which is attached to this notice.

[Rule 8.3(a)(c)]

John Hughes, Director- Regulatory Relations, PG&E, initiated the communications with Jason Reiger (Advisor to Commissioner Nancy Ryan) and Paul Phillips (Advisor to Commissioner Timothy Simon). Frances Yee, Project Manager-PG&E, and Jennifer Post, Attorney-PG&E, were also in attendance. [Rule 8.3(b)]

The PG&E representatives discussed the attached handouts that outline the main subjects of both Applications: 10-01-014 and 10-01-022. Mr. Hughes stated the purpose of the meeting was to clarify any misconceptions that may exist, knowledge of possible seismic issues and the timing of the two applications. Ms. Post referred to correspondence that had been sent to the Commission that indicated that PG&E had insufficient knowledge of the recently identified Shoreline fault. She pointed out that these statements were wrong.

Ms. Yee and Ms. Post also addressed the timing of the license renewal application and

the processing of the seismic application. They stated that the Commission does not need to

delay the consideration of the renewal application until the results of the seismic study is

complete. [Rule 8.3(c)]

To obtain a copy of this notice, please notify Sally Cuaresma at (415) 973-5012 or via

email at a2c7@pge.com.

Respectfully submitted,

/s/ BRIAN K. CHERRY
